Behind the gates of Island Pointe, gorgeous single-level custom home overlooks the 12th tee of Rogue Valley CC. With soaring ceilings, dramatic windows, chef's kitchen, 5 beds, 4 baths (3 w/heated floors), and 4-car garage, it's built for comfort and grandeur. A second primary suite on the opposite wing creates ideal flexibility for multigenerational living. Luxury details, golf course views, and multigenerational flexibility make this a rare find
